6. **Summer Camp Locations.** Republish the landing pages for all of the currently listed location buttons so that we can edit them.
7. **Spring Classes.** Republish last year's main page so that we can edit it.
    a. Also please add this "Spring Classes" page back to the menu.
    b. Please also remove the "Kidizens Fall" and "Young Kidizens Fall" menu items so that only "Spring Classes" are showing.
8. **Website Menu Change.** Please make the "Kids Night Out" page the main landing page for the "Events" tab in the menu. Please update "Events" to say "Kids Night Out". There should be only one page in the menu with no dropdown arrow in the end.
